En »

Imagine starring in an episode of successful The White Lotus series, surrounded by outstanding Sicilian architecture, or sitting with The Leopard - Don Fabrizio Corbera for a drink on one of the most beautiful terraces in Taormina, Noto or Ortigia. The classic IGEA outdoor furniture collection, with its Powder coated galvanized iron structure and elegant proportions, embodies the 'dolce vita' and brings the dream of Sicily to your outdoor space.

It »

Immagina di essere protagonista di un episodio della fortunata serie The White Lotus, circondato dalla straordinaria architettura siciliana, oppure di sorseggiare un drink con Il Gattopardo - Don Fabrizio Corbera - su una delle terrazze più belle di Taormina, Noto o Ortigia. La collezione di arredi da esterno classici IGEA, con la sua struttura in ferro e le proporzioni eleganti, incarna la dolce vita e porta il sogno della Sicilia nel tuo spazio all'aperto.

Fr »

Imaginez-vous dans un épisode de la célèbre série The White Lotus, entouré d'une architecture sicilienne exceptionnelle, ou en train de prendre un verre avec Le Guépard - Don Fabrizio Corbera - sur l'une des plus belles terrasses de Taormine, Noto ou Ortigia. La collection de mobilier d'extérieur classique IGEA, avec sa structure en fer galvanisé thermolaqué et ses proportions élégantes, incarne la dolce vita et apporte le rêve de la Sicile dans votre espace extérieur.

En ~

The collection includes everything you need to create the perfect Mediterranean atmosphere. There are dining chairs, some of which are foldable. The graphite frame can be complemented with matching cushions featuring classic stripes. Generous and comfortable armchairs and two- or three-seat sofas can be flanked by two types of dining table and coffee tables.

It ~

La collezione include tutto il necessario per ricreare la perfetta atmosfera mediterranea. Ci sono sedie da pranzo, alcune delle quali pieghevoli. La struttura in grafite può essere completata da cuscini coordinati con classiche righe. Ampie e comode poltrone e divani a due o tre posti possono essere affiancati da due tipologie di tavoli da pranzo e tavolini.

Fr ~

La collection comprend tout ce qu'il faut pour créer une atmosphère méditerranéenne parfaite. Il y a des chaises de salle à manger, dont certaines sont pliantes. La structure graphite peut être complétée par des coussins assortis à rayures classiques. De généreux fauteuils confortables et des canapés deux ou trois places peuvent être accompagnés de deux types de tables à manger et de tables basses.

En ~

IGEA, being an homage to the ancient Greek goddess of health and well-being as well, is accompanied with poufs, sun loungers and inviting cabanas completing the ideal setup for enjoying the typical Sicilian vibe.

It ~

IGEA, che rende omaggio anche all'antica dea greca della salute e del benessere, è completata da pouf, lettini prendisole e accoglienti cabane, per un allestimento ideale che invita a vivere la tipica atmosfera siciliana.

Fr ~

IGEA, en tant qu'hommage à la déesse grecque antique de la santé et du bien-être, est aussi accompagnée de poufs, de bains de soleil et de cabanes accueillantes, complétant ainsi l'agencement idéal pour profiter de l'ambiance typique sicilienne.

Salò Collection

Design by
Matteo Thun
and Benedetto Fasciana

En -

Essential, elegant, and designed to stand the test of time, the Salò collection, created by Matteo Thun and Benedetto Fasciana, expands this year with new pieces tailored to the world of bistros. The existing line is now joined by high tables and stools, available with or without backrests, further broadening its range of uses and making the collection even more complete and versatile. With a clean and functional aesthetic, Salò perfectly meets the needs of contemporary hospitality, offering coordinated solutions for both indoor and outdoor spaces that strike a balance between form, comfort, and durability.

It -

Essenziale, elegante e pensata per durare nel tempo, la collezione Salò, firmata da Matteo Thun e Benedetto Fasciana, si arricchisce quest'anno di nuove proposte pensate per il mondo bistrot. Alla linea già esistente si aggiungono infatti tavoli alti e sgabelli, disponibili con o senza schienale, ampliando ulteriormente le possibilità di utilizzo e rendendo la collezione ancora più completa e versatile. Con un'estetica sobria e funzionale, Salò risponde perfettamente alle esigenze dell'hospitality contemporanea, offrendo soluzioni coordinate per ambienti indoor e outdoor all'insegna dell'equilibrio tra forma, comfort e resistenza.

Fr -

Essentielle, élégante et conçue pour durer dans le temps, la collection Salò, signée par Matteo Thun et Benedetto Fasciana, s'enrichit cette année de nouvelles propositions pensées pour l'univers des bistros. À la ligne déjà existante s'ajoutent en effet des tables hautes et des tabourets, disponibles avec ou sans dossier, élargissant encore les possibilités d'utilisation et rendant la collection encore plus complète et polyvalente. Avec une esthétique sobre et fonctionnelle, Salò répond parfaitement aux exigences de l'hospitalité contemporaine, en offrant des solutions coordonnées pour les espaces intérieurs et extérieurs, alliant forme, confort et résistance.

Salò collection becomes more than furniture: It's a place for quiet moments, long lunches, and meaningful connections. A space to gather, to share beauty – of the view, the moment, and being together.

It -

Salò è molto più di un arredo: è un luogo in cui vivere momenti di quiete, lunghi pranzi e connessioni autentiche. Uno spazio in cui ritrovarsi e condividere la bellezza – del paesaggio, dell'attimo, dello stare insieme.

Fr -

La collection Salò est bien plus qu'un simple meuble : c'est un lieu pour savourer le calme, prolonger les repas et créer des liens sincères. Un espace pour se retrouver, partager la beauté – du paysage, de l'instant, de la convivialité.

Cora Collection

Design by
Federica Biasi

En -

Soft lines, natural materials, and a timeless aesthetic: the Cora family is the perfect blend of comfort and design. Created by Federica Biasi, this outdoor collection combines the strength of teak with the lightness of woven rope, giving life to elegant, inviting, and versatile furniture.

It -

Linee morbide, materiali naturali e un'estetica senza tempo: la collezione Cora è la sintesi perfetta tra comfort e design. Firmata da Federica Biasi, questa famiglia outdoor unisce la solidità del teak alla leggerezza della corda intrecciata, dando vita a un arredo elegante, accogliente e versatile.

Fr -

Lignes douces, matériaux naturels et esthétique intemporelle : la famille Cora est la synthèse parfaite entre confort et design. Signée Federica Biasi, cette collection outdoor associe la solidité du teck à la légèreté de la corde tressée, donnant vie à un mobilier élégant, accueillant et polyvalent.

En -

Designed to make the most of every outdoor moment, Cora features a lounge area with comfortable sofas – perfect for relaxation and socializing – and a dining space enhanced by a round, textured table that brings character to any setting. The collection is completed by single and double sun loungers, as well as a striking sunbed island – ideal for an experience rooted in wellness and style. Cora redefines outdoor living with elegance, functionality, and a truly authentic identity.

It -

Pensata per vivere appieno ogni momento all'aperto, Cora si compone di un'area lounge con divani confortevoli, perfetti per il relax e la convivialità, e una zona dining impreziosita da un tavolo rotondo materico, capace di conferire carattere a qualsiasi ambiente. Completano la collezione i lettini singoli, i lettini doppi e una scenografica isola prendisole, ideali per un'esperienza all'insegna del benessere e dello stile. Cora ridefinisce lo spazio esterno con eleganza, funzionalità e un'identità autentica.

Fr -

Pensée pour profiter pleinement de chaque moment en plein air, Cora se compose d'un espace lounge avec des canapés confortables, parfaits pour la détente et la convivialité, ainsi que d'un espace dining mis en valeur par une table ronde texturée, capable d'apporter du caractère à n'importe quel environnement. La collection est complétée par des bains de soleil simples, doubles, et une spectaculaire île de détente, idéals pour une expérience placée sous le signe du bien-être et du style. Cora redéfinit l'espace extérieur avec élégance, fonctionnalité et une identité authentique.

Pertre Collection

Design by
Zaven Studio

En ~

Designed by the Zaven studio, the Pertre collection was created to meet the needs of contemporary hospitality, offering versatile solutions that combine functionality with aesthetic identity. The tables, available in round or square versions, easily adapt to a variety of contexts and layouts. The distinctive triangular leg adds character to the structure, while the bases – made of steel or concrete – can be paired with tops in aluminium or teak, offering a wide range of material and color combinations. Available in two heights – standard h75 and h110 for bistro-style settings – Pertre tables stand out for their modularity, durability, and a contemporary yet understated style designed to enhance any space with elegance.

It ~

Disegnata dallo studio Zaven, la collezione Pertre nasce per rispondere alle esigenze dell'hospitality contemporanea, con soluzioni versatili che uniscono funzionalità e identità estetica. I tavoli, disponibili in versione tonda o quadrata, si adattano con facilità a diversi contesti e configurazioni. La distintiva gamba triangolare dona carattere alla struttura, mentre le basi in acciaio o cemento si combinano con piani in alluminio o teak, offrendo un'ampia gamma di combinazioni materiche e cromatiche. Disponibili in due altezze – standard h75 e h110 per soluzioni bistrot – i tavoli Pertre si distinguono per la loro modularità, robustezza e uno stile contemporaneo e discreto, pensato per valorizzare ogni spazio con eleganza.

Egadi Collection

Design by
Andrea Steidl

En -

Made of concrete with a glossy glazed finish, designed for outdoor use, these side tables come as a pair of complementary volumes: one cylindrical, the other a truncated pyramid, joined by a clean line that marks the meeting point of the two geometries. Available in two sizes and in refined shades of cioccolato, dove, stone, and terracotta, they convey a strong sense of materiality and a sculptural presence.

It -

Realizzati in cemento con finitura smaltata lucida e pensati per l'outdoor, i tavolini si presentano in una coppia di due volumi che si completano a vicenda: uno cilindrico, l'altro a tronco di piramide, uniti da una linea netta che segna il punto d'incontro tra le due geometrie. Disponibili in due dimensioni e nelle raffinate tonalità cioccolato, dove stone e terracotta, esprimono una forte matericità e una presenza scultorea.

Fabrics

En ~

All fabrics in the Unopiù collection are specifically designed for outdoor use. In addition to their particularly soft touch, they offer maximum resistance to UV rays and ensure long-lasting durability. A special treatment protects them from liquids and dirt, making them easy to clean with a soft sponge and neutral soap, or in the washing machine at low temperatures. In particular, the Waterproof fabrics are coated with a PVC film that makes them 100% waterproof.

It ~

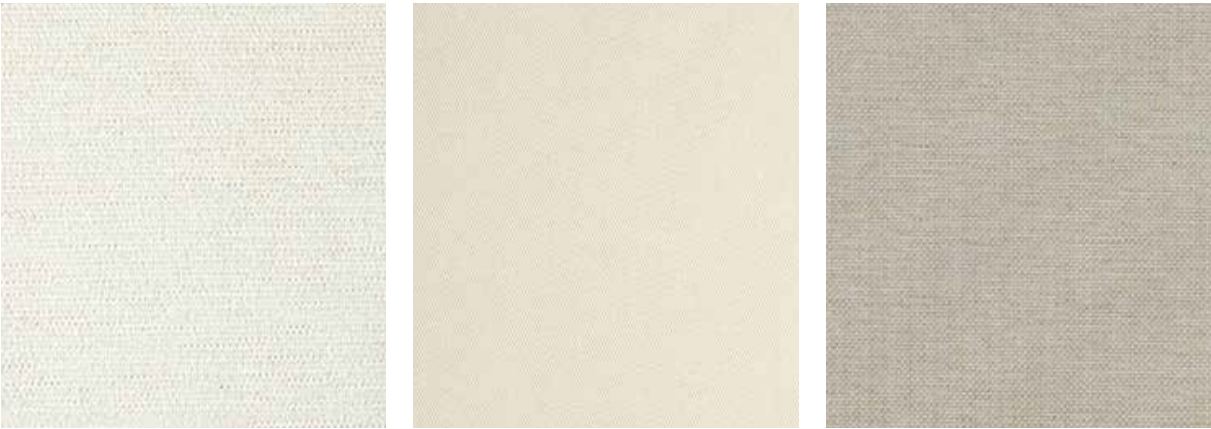

Tutti i tessuti della collezione Unopiù sono specifici per l'uso esterno. Oltre ad una particolare morbidezza al tatto, offrono la massima resistenza ai raggi UV e garantiscono una lunga durata. Un trattamento specifico li protegge dai liquidi e dallo sporco e li rende facili da pulire, con una spugna morbida e sapone neutro, oppure in lavatrice a basse temperature. In particolare i tessuti Waterproof sono spalmati con una pellicola di PVC che li rende impermeabili al 100%.

Tous les tissus de la collection Unopiù sont spécialement conçus pour une utilisation en extérieur. En plus d'une douceur particulière au toucher, ils offrent une résistance maximale aux rayons UV et garantissent une longue durée de vie. Un traitement spécifique les protège des liquides et de la saleté, ce qui les rend faciles à nettoyer, soit avec une éponge douce et du savon neutre, soit en machine à basse température. En particulier, les tissus Waterproof sont enduits d'un film en PVC qui les rend 100 % imperméables.
